

## **ABOUT OUR WORKSHOPS**

Workshops at Picket Fence Fabrics are presented in a large well-lit space with ample space for participants. A separate kitchen facility is available for lunch and breaks. Classes are limited to five participants.

### **Workshop Policy**

Workshop fees are payable at time of registration. Phone registrations will be accepted with a VISA or MasterCard. Fees are to be paid in full one week prior to class to secure your space.

Registrations are non-refundable. . you may arrange for someone to take the workshop in your place.

Workshops may be cancelled and fee refunded if registration does not meet the minimum enrollment required one week prior to workshop date. The cost of the workshop does not include supplies, unless otherwise noted. We ask that you do not purchase material for your workshop until you have been given the go ahead from us. This prevents any unnecessary purchase should the workshop be cancelled.

A sewing machine in good working order will be indicated on your supply list when one is required for a workshop. A classroom machine is available for rent. Please inquire in advance about availability.

You will receive a complete supply list when registering for a workshop and are encouraged to read it to see what supplies are needed and what advance preparations are necessary.
